

GigaPATCH™ Splice Sleeve

GigaPATCH™ splice sleeve for single fibre comes in 45mm and 60mm lengths. The splice sleeve is delivered without colour in packages of 100 pieces. Coloured splice sleeves can be supplied on request.

- Capturing the optical transmission properties
- Powering and protects optical fibre splices
- Prevents damage to the optic fibre splice during installation
- Clear sleeve makes it easy to observe the fibre splicing before shrinkage
- The seal protects the splice from fluctuations in the temperature and humidity as a result of changes in the environment
